

## **Risk Assessment Policy**

RISK MANAGEMENT AND RISK ASSESSMENT: TO SUPPORT CHILD PROTECTION AND SAFEGUARDING

### **1. Scope**

This policy is applicable to all those with responsibility for developing / implementing risk management strategy and undertaking risk assessments for activities which are under their control. This includes the requirements of the Independent Schools Standards Regulations (ISSRs) 2014, National Minimum Standards for Boarding and Early Years Foundations Stage.

### **2. Objectives**

- a) To ensure that major risks are identified and managed as part of an overarching policy with a view to promoting children's welfare.
- b) To meet the ISSR requirement for a written risk assessment policy to be in place and to meet the requirement for leadership in and management of schools.
- c) To ensure that suitable and sufficient risk assessments are undertaken for activities where there is likely to be significant risk including school trips
- d) That identified control measures are implemented to control risk so far as reasonably practicable.
- e) That those affected by school activities have received suitable information on what to do.
- f) That the risk management strategy and risk assessments are recorded and reviewed when appropriate.
- g) To identify those in the school responsible for conducting risk assessment and monitoring its implementation.

### **3. Guidance**

The Headmaster and Governors are responsible for the overarching risk management policy of the school. The overall strategy is formally reviewed on an annual basis. Day to day responsibilities of governors and/or senior managers may be delegated to other members of staff where appropriate.

Key risk areas include, but are not limited to:

- a) pupil supervision (including safeguarding and welfare requirements). This will include implementation of the School designated safeguarding lead ("DSL") but will also cover a range of responsibilities outside safeguarding
- b) school trips
- c) management of visitors on school premises
- d) fire and emergencies
- e) traffic and pedestrian interaction on site
- f) management of hazardous substances
- g) use of hazardous equipment e.g. in D.T., Art etc.
- h) the suitability of staff to undertake designated roles and checks to ensure that they are suitable including staff not employed by the school who work with pupils on another site
- i) risk areas which are not directly related to health and safety, including but not limited to:
  - i. financial
  - ii. recruitment procedures including governing body oversight
  - iii. reputational
  - iv. terrorism, including the prevention of fundamentalism and extremism
  - v. pupil self-harming
  - vi. security, specifically in boarding or EYFS areas, as appropriate

#### **4. Completion of risk assessments**

- a) Risk Assessments must be undertaken prior to any activity which is 'out of the ordinary'.
- b) The person in charge of the activity should draft / update an applicable risk assessment and pass it to their line manager for review.
- c) The completed risk assessment should be forwarded to the Compliance Officer and saved under Risk Assessments on Teams.
- d) Template risk assessment forms are included in Appendices 2 and 3. The school adopts the CLEAPSS Advisory Service model risk assessments for lessons in Science and Design & Technology.
- e) Risk assessments will take into account:
  - i. hazard - something with the potential to cause harm
  - ii. risk - an evaluation of the likelihood of the hazard causing harm
  - iii. risk rating - assessment of the severity of the outcome of an event
  - iv. control measures - physical measures and procedures put in place to mitigate the risk
- f) The risk assessment process will consist of the following 6 steps:
  - i. what could go wrong
  - ii. who might be harmed
  - iii. how likely is it to go wrong
  - iv. how serious would it be if it did
  - v. what are you going to do to stop it
  - vi. how are you going to check that your plans are working
- g) The Compliance Officer will be responsible for the maintenance of risk assessment records. Where the policy is reviewed schools should identify how the review is recorded and considered e.g. by a H&S committee or similar.
- h) Risk assessments will be reviewed:

- i. when there are changes to the activity
  - ii. after a near miss or accident
  - iii. when there are changes to the type of people involved in the activity
  - iv. when there are changes in good practice
  - v. when there are legislative changes
  - vi. annually if for no other reason
- i) A list of areas (non-exhaustive) which will require risk assessment is included at Appendix 3.

## **5. Training requirements for staff**

All staff will receive guidance on risk assessment as part of their induction. This will be refreshed on an annual basis. Risk assessment training will be provided on specific areas where identified by the Bursar / Head of Department.

## Appendix I: General Risk Assessment Template

GENERAL AREA RISK ASSESSMENT				
<b>REF No:</b>		<b>Date:</b>		
<b>Location:</b>		<b>Assessor:</b>		
<b>Persons at Risk:</b>				
<b>IDENTIFIED HAZARDS</b>	<b>SEVERITY</b>	<b>PROBABLE FREQUENCY</b>	<b>Risk Score</b>	<b>YES/NO</b>
Consider such hazards as: slips, trips & falls ;burns; chemicals; falling from height; fire; electrocution; amputation; suffocation; noise; crushing; gas; poisoning; fracture; dislocation; strain; sprain; machinery; vehicles; tools; animals; weather; young persons, horse play etc. Include daily and occasional activities.	Enter a no. from 1 to 6	Enter a no. from 1 to 6	Severity multiplied by Frequency	Score of 9 or above  further immediate assessment needed  YES/NO
If using this form for <b>Fire Safety Risk Assessments</b> , consider hazards such as: lack of alarm systems; inability to hear alarms; safety of escape routes; obstructions; locked exit doors; lack of signage; drill frequency; combustibles; chemicals; sources of ignition, open fires, heating appliances; festive or display materials; numbers of persons in locations; evacuation by the young, elderly, disabled or infirm; electrical equipment; gas and LPG usage; smoking; smoking arrangements, etc.	1 Negligible 2 Minor injury 3 Major injury 4 Single death 5 Multi-death 6 Multi-offsite	1 Improbable 2 Possible-every 5 yrs 3 Occasional – annually 4 Fairly frequent – quarterly 5 Frequent – weekly 6 Certainty - daily		

***You should review your risk assessment if you think it might no longer be valid, e.g. following an accident in the workplace, or if there are any significant changes to the hazards in your workplace, such as new equipment or work activities.***

**Appendix 2: - School Trip Risk Assessment**

**See separate School Trips Policy**

## Appendix 3: Areas Requiring Risk Assessment (Non-Exhaustive)

### Educational

- a) science experiments
- b) design & technology
- c) food handling and preparation
- d) sport and PE activity
- e) Duke of Edinburgh award
- f) art
- g) music
- h) drama & dance
- i) general classroom
- j) school trips
- k) visiting lecturers
- l) LOTC activities

### Support

- m) catering and cleaning
- n) caretaking and security
- o) maintenance
- p) grounds / traffic management
- q) office
- r) site visitors
- s) fire & emergencies
- t) Pupil Safeguarding and Welfare
- u) FOSE events
